Re: ***E.ON AG, E.ON U.K. LTD (formerly Powergen LTD), E.ON U.S. LLC (formerly LG&E Energy LLC), Louisville Gas and Electric Company, and Kentucky Utilities Company - Case No. 2001-104***

Dear Ms. O'Donnell:

Pursuant to the Commission's Order in the aforementioned case, Louisville Gas and Electric Company ("LG&E") and Kentucky Utilities Company ("KU") (collectively "the Companies") hereby notifies the Commission that E.ON U.S. LLC is planning to collectively contribute approximately \$40 million (\$20 million per company) of additional paid in capital on or about December 21, 2007.

As noted in the Joint CCN applications, Case No. 2004-00507<sup>1</sup>, Case No. 2005-00142<sup>2</sup>, and Case No. 2004-00426<sup>3</sup> (KU only), the Companies significant capital expenditure program would require equity contributions from E.ON U.S. LLC to maintain a balanced capital structure. For LG&E, this contribution represents the first installment whereas for KU this is the second installment of such contributions. The initial notification regarding KU's first installment was provided to the Commission on August 24, 2007.
